

Overview:-

DLF offers a range of options in its residential business portfolio to suit the specific needs and demands of different customer segments. With the growing aspiration and affordability levels of customers, the Group has in the recent past focused in the high-end premium and luxury condominiums. This is exemplified by its property Aralias.

DLF pioneered the concept of "Sale by Invitation" through this prestigious project. The idea was to identify an exclusive community of like-minded residents who would be proud to own a high-end apartment offering the best features and facilities on par with those available internationally.

Overlooking the picturesque DLF Golf and Country Club, the Aralias is a dream come true for discerning customers who want nothing but the best.

Construction status: Completed and Handing over of apartments in progress.
